ASSOCIATION OF GAMING EQUIPMENT MANUFACTURERS (AGEM) ANNOUNCES EIGHT NEW MEMBERS JOIN ORGANIZATION

LAS VEGAS – The Association of Gaming Equipment Manufacturers (AGEM) announced today that its Board of Directors has approved the membership applications of eight new companies, bringing the trade group comprised of the world's leading gaming suppliers to a total of 107 members.

The new AGEM members are:

- Advantech-Innocore, based in North Shields, UK, designs, manufactures and sells technologically advanced PC products tailored to the specific needs of the gaming industry.
- Chetu, based in Miramar, Fla., with an office in Las Vegas, is a leading IT solutions provider that offers gaming device, SAS or jackpot integration.
- Cantor Gaming, based in Las Vegas, is a manufacturer, distributor and gaming operator that develops and implements mobile gaming technology for casino games and race and sports.
- DigiDeal, based in Spokane Valley, Wash., is a premier e-table supplier with a large portfolio of games with bonus bet options and a wide range of customizable platforms.
- Flextronics, headquartered in Singapore, is a leading Electronics Manufacturing Services (EMS) provider focused on delivering complete design, engineering and manufacturing services.
- Galaxy Gaming, based in Las Vegas, designs, manufactures, markets, licenses and leases casino table games and electronic jackpot bonus systems for both land-based and cruise ship gaming locations.
- Leap Forward Gaming, based in Reno, Nev., specializes in the innovation, development, design, manufacture and operation of wireless communication systems for both gaming and non-gaming industries.
- Table Trac, based in Minnetonka, Minn., designs and implements table games management systems and casino management systems in casino throughout North, South and Central America.

AGEM is an international trade association representing manufacturers and suppliers of electronic gaming devices, systems, table games, key components and support products and services for the gaming industry. AGEM works to further the interests of gaming equipment suppliers throughout the world. Through political action, trade show partnerships, educational alliances, information dissemination and good corporate citizenship, the members of AGEM work together to create benefits for every company within the organization. Together, AGEM has assisted regulatory commissions and participated in the legislative process to solve problems and create a business environment where AGEM members can prosper while providing a strong level of support to education and responsible gaming initiatives. For more information, visit www.AGEM.org.
