# ASSOCIATION OF GAMING EQUIPMENT MANUFACTURERS (AGEM) ANNOUNCES EIGHT NEW MEMBERS JOIN ORGANIZATION

LAS VEGAS – The Association of Gaming Equipment Manufacturers (AGEM) announced today that its Board of Directors has approved the membership applications of eight new companies, bringing the trade group comprised of the world’s leading gaming suppliers to a total of 134 members, an all-time high for the organization.

The new AGEM members are:

- Advanced Micro Devices (AMD), based in Sunnyvale, Calif., designs and builds the technology that accelerates and enhances the applications that power millions of computing devices, embedded and gaming systems, digital devices and cloud servers.
- Camryn Industries, based in Southfield, Mich., boasts design-engineering capabilities, manufacturing expertise and an advanced production process as a global leader in modular manufacturing.
- Eastsign International Limited, based in Hong Kong, is a leading supplier offering a comprehensive lineup of digital materials, printing and signage.
- Global Experience Specialists (GES), based in Las Vegas, is a comprehensive trade show and event company with a mission to create the world’s most meaningful and memorable experiences for marketers, exhibition organizers and event attendees.
- GeoComply USA, based in Henderson, Nev., offers regulators and operators a reliable, secure and user-friendly solution for the geolocation of online users.
- Lewis Brisbois Bisgaard & Smith, based in Las Vegas, is a full-service law firm representing major gaming clients in Las Vegas and New Jersey, along with tribal, riverboat and land-based operations across the country.
- Merkur Gaming, based in Luebbecke, Germany, is a subsidiary of the globally operated German Gauselmann Group, responsible for the development and sales of AWP, casino slot machines, VLTs and systems for international markets.
- Union Gaming Group, based in Las Vegas, is a portfolio of companies focused exclusively on the global gaming industry and specializing in global equity research, investment banking and gaming-related market and economic analytics.

AGEM is a non-profit international trade association representing manufacturers and suppliers of electronic gaming devices, systems, table games, key components and support products and services for the gaming industry. AGEM works to further the interests of gaming equipment suppliers throughout the world. Through political action, regulatory influence, trade show partnerships, educational alliances, information dissemination and good corporate citizenship, the members of AGEM work together to create benefits for every company within the organization. Together, AGEM has assisted regulatory agencies and participated in the legislative process to solve problems and create a business environment where AGEM members can prosper while providing a strong level of support to education and responsible gaming initiatives. For more information, visit [www.AGEM.org](http://www.AGEM.org).
