- Touch Dynamic, based in Irvington, N.J., designs, engineers and manufacturers touch-screen all-in-one systems, industrial-grade PCs, monitors and tablets.

AGEM is a non-profit international trade association representing manufacturers and suppliers of electronic gaming devices, systems, table games, online technology, key components and support products and services for the gaming industry. AGEM works to further the interests of gaming equipment suppliers throughout the world. Through political action, regulatory influence, trade show partnerships, educational alliances, information dissemination and good corporate citizenship, the members of AGEM work together to create benefits for every company within the organization. Together, AGEM has assisted regulatory agencies and participated in the legislative process to solve problems and create a business environment where AGEM members can prosper while providing a strong level of support to education and responsible gaming initiatives.
